ABOUT US

MKPD a Trusted Name in Construction for Over 20 Years

Welcome to MKPD, a leading engineering and construction company with a rich history spanning two decades. Our commitment to excellence has allowed us to thrive in a wide range of Engineering, Procurement and Construction (EPC) projects. From residential and commercial buildings to build-outs, renovations and pool/landscape packages, MKPD has successfully delivered numerous projects on time and within budget.

Our Expertise

With a strong foundation built on over 20 years of experience, MKPD excels in the construction industry through rigorous analytical and problem-solving skills. We pride ourselves on our highly organized and collaborative approach, working constructively with all project stakeholders. As a solution-focused leader, MKPD ensures the delivery of quality engineering and adherence to safe construction practices.

Our Commitment

At MKPD, we prioritize health, safety, environmental responsibility, and sustainable development. Our professional values of sustainability, safety, integrity, respect, performance, excellence, and accountability guide every aspect of our work. We take necessary precautions to ensure compliance with legal obligations in Australia and the requirements of domestic and foreign organizations.

Quality Assurance

At MKPD, we are dedicated to maintaining and enhancing our management systems. We evaluate employee and process performance through internal audits and assessments conducted by top management. We understand that our success is dependent on comprehending and fulfilling customer needs, which is why we prioritize a customer-centric approach in all of our activities.

Partnerships

At MKPD, we prioritize building strong relationships with our suppliers and partners. We believe that effective communication is key to improving the efficiency of value-creating processes. You can trust us to deliver the best results possible. To ensure customer satisfaction and continuous improvement, we assess the capabilities of our suppliers, subcontractors, and partners.

Quality Manufacturing

MKPD establishes and determines the measuring conditions for all manufacturing processes. Rigorous measurements and monitoring are conducted to verify compliance with relevant requirements. Information gathered is utilized to enhance manufacturing processes.

Our Mission

MKPD's mission is to execute contracts for construction, installation, and maintenance works with high quality and specialization. We specialize in civil construction across various sectors, including residential, commercial, educational, hospitality, healthcare, industrial, institutional, and cultural buildings, as well as other infrastructure projects.

GROUP COMPANIES

ESOS PROPERTIES PTY LTD

Company Overview

LOCKYER SHEDS

Trading as Lockyer Sheds

At Builtwise Group Pty. Ltd. we are proud to be Queensland's trusted building company, specializing in the design, supply, and construction of a wide range of steel and concrete structures. Based in the Lockyer Valley, we serve residential, commercial, and rural clients with premium light-frame steel structures, TRUECORE® framing buildings, tilt-up panel constructions, and large-scale sheds.

Trading as Lockyer Sheds, Builtwise Group Pty. Ltd. utilizes cutting-edge design and manufacturing techniques to ensure every project aligns with Australian Building Standards while meeting our clients' unique requirements with a strong commitment to excellence. Our local expertise enables us to understand and adapt to Queensland's diverse environmental conditions, creating durable and functional structures that stand the test of time.

Whether you're envisioning a customized granny flat, a durable farm shed, or a large industrial structure, Builtwise Group Pty. Ltd. is equipped to deliver. Our blend of superior materials, skilled craftsmanship, and exceptional service ensures that we bring every vision to life with professionalism and precision.

Core Competencies

1. Tailored Design Solutions

- Expertise in custom designing sheds, steel structures, and tilt-up panel buildings to meet a wide array of client requirements across residential, rural, and industrial applications.

2. High-Quality Materials

- Commitment to using premium-grade Australian BlueScope Steel, TRUECORE® framing, and Colorbond cladding, ensuring unmatched durability, strength, and resistance to Queensland's harsh weather conditions.

3. Compliance with Australian Standards

- Ensuring every structure complies with strict NCC regulations and local council requirements, offering peace of mind to our customers.

4. Efficient Installation Services

- Skilled and experienced local crews delivering precise and timely installation, ensuring hassle-free experiences for clients.

5. Comprehensive Product Range

- A diverse portfolio of steel solutions, including carports, garages, farm sheds, industrial buildings, granny flats with stud steel frames, and TRUECORE® framing constructions.

6. End-to-End Project Management

- Managing every stage of the project—from design and permits to delivery and installation—making the process seamless and stress-free for clients.

7. Sustainable Practices

- Commitment to sustainable construction practices and materials, supporting environmentally responsible building solutions.

8. Exceptional Customer Service

- Focused on fostering long-term relationships through personalized service, clear communication, and reliable after-sales support.

WAHOO POOL LANDSCAPE AND CONSTRUCTION

QBCC License Number: 15247996

Company Overview

Wahoo Pool Construction is a leading name in the design and construction of premium concrete pools across Queensland. With a proven track record of excellence, we pride ourselves on creating bespoke pool solutions that transform outdoor spaces into luxurious havens of relaxation and entertainment.

From concept to completion, our experienced team combines innovative designs, superior craftsmanship, and a commitment to quality to bring every client's vision to life. Whether it's a sleek infinity pool, a family-friendly backyard retreat, or a fully customized spa, Wahoo Pool Construction ensures every project is tailored to meet the unique needs and preferences of our customers.

Our unwavering dedication to quality, safety, and customer satisfaction has earned us a reputation as one of Queensland's most trusted pool builders.

Core Competencies

1. Custom Pool Design and Construction

- Specializing in designing and building unique, high-quality concrete pools to suit individual needs, landscapes, and lifestyles.

2. Innovative Pool Features

- Expertise in adding premium features like infinity edges, water walls, swim-up bars, integrated spas, and custom lighting to elevate pool designs.

3. Superior Quality Materials

- Using top-grade concrete, tiles, and finishes to ensure pools are durable, low-maintenance, and visually striking.

4. **Regulatory Compliance**

- Adhering to Australian Building Standards and local council regulations, guaranteeing safe and compliant construction practices.

5. **End-to-End Project Management**

- Handling every aspect of the project, from initial design and approvals to excavation, construction, and final handover.

6. **Energy-Efficient and Sustainable Solutions**

- Incorporating eco-friendly pool systems, energy-efficient pumps, and sustainable construction practices for an environmentally responsible approach.

7. **Exceptional Craftsmanship**

- A team of skilled professionals dedicated to precision, attention to detail, and delivering pools that exceed client expectations.

8. **Customer-Focused Service**

- Committed to maintaining clear communication, meeting deadlines, and providing excellent after-sales support to ensure customer satisfaction.

JUST SPAS

Company Overview

As part of the renowned Just Spas franchise, our store is dedicated to delivering the ultimate in relaxation and wellness through a premium range of spas and swim spas. With a focus on quality, innovation, and superior customer service, we provide tailored solutions to meet the diverse needs of our clients.

Our store is proud to offer exclusively Australian-made spas and swim spas, designed to withstand the unique conditions of our climate while offering luxurious comfort and efficiency. From family-friendly models to hydrotherapy-focused designs, we cater to every lifestyle, ensuring our customers can create their ideal at-home oasis.

By combining the trusted reputation of the Just Spas brand with a commitment to serving our local community, we strive to enhance lives through exceptional products and experiences.

Core Competencies

1. Premium Product Range

- Offering a diverse selection of Australian-made spas and swim spas, built with superior craftsmanship and designed for durability and comfort.

2. Customizable Wellness Solutions

- Providing personalized spa options with features like hydrotherapy jets, energy-efficient systems, ergonomic designs, and advanced filtration systems to meet individual preferences.

3. Expert Advice and Support

- A knowledgeable team dedicated to helping customers choose the right spa, offering guidance on installation, maintenance, and long-term care.

4. Exceptional Customer Experience

- Prioritizing customer satisfaction through a friendly, professional approach and after-sales support that ensures ongoing enjoyment of our products.

5. **Energy Efficiency and Sustainability**

- Featuring environmentally conscious spa models equipped with energy-saving components, reducing operational costs and ecological impact.

6. **Local and Regional Expertise**

- Understanding the unique needs of our community and providing solutions tailored to our climate, lifestyles, and space requirements.

7. **After-Sales Service and Maintenance**

- Offering comprehensive service packages, warranty support, and professional maintenance to ensure the longevity of our spas and swim spas.

8. **Innovative Technology**

- Access to the latest advancements in spa design, including Bluetooth connectivity, integrated sound systems, and smart controls for an enhanced user experience.
